

COMMUNITY SPORT UPDATE

The University of Hull and West Hull Rugby club are in partnership to create a new programme called the Community Sports Project. The partnership will provide opportunities for both the University and West Hull to raise the aspirations and future prospects of young people in the local area.

It's just the beginning of 2018 and look what we've been up to already!

“New Year means more exciting opportunities available as part of the Community Sports Project, and we cannot wait to share them with you all”

PARTY IN THE PARK

West Hull Wolfpack are currently fundraising for a once in a lifetime opportunity to play in a promotional rugby league tour in Perth Australia.

This is one of the biggest events on their fund raising calendar and would like to invite the West Hull Rugby club and community members to join and support their fundraiser at the Party In The Park event. The event will include live music from 12 o'clock, BBQ, bouncy

castles, games, Fijian Island food, sweets, merchandise stalls, adult tag tournament and a bake off tent for anyone wanting to enter into the Great West Hull Bake Off.

The day promises to be a fantastic day for all ages, the event is free to attend but the boys will be hanging around with the buckets!

We would like to see as many of you there as possible and you are most welcome to

invite friends and family, anyone who is wanting to enter the adult tag tournament £30 per team, with half of the pot going to the winning team!!!

For more information, contact event organiser, Charlotte on their Facebook page [facebook.com/wolfpackdownunder/](https://www.facebook.com/wolfpackdownunder/) or via email westhullwolfpack1@outlook.com

GREEN AND GOLD ARMY CONQUER EUROPE

During April, the Under 12's from West Hull Rugby club travelled to Catalan to play in a local tournament in memory of one of their players who sadly passed away. The club made contact with Catalan Dragons community team in January and West Hull worked closely with their staff to put the trip together with the hopes that not only the French team return to us next year, but to pave the way for other West Hull teams to have the opportunity to go out to France and play Rugby.

Charlotte Matthews, trip coordinator commented:

"Although the trip was predominantly about the rugby, I wanted to add in an educational element to the trip. I contacted Sophie at the University of Hull who put out a plea to some of the students who are studying Primary Education to see whether any students could produce a workbook suitable for all ages who were attending from 4yrs to 14yrs. One of the students was interested in the project and produced us a fun, informative booklet which gave the players an insight into the languages they would hear during their trip."

PLAYER DEVELOPMENT

Sports Leaders award: we are delivering a coaching qualification in the summer holidays for players aged 15 years and above. This qualification will give every learner the skills and knowledge on how to plan and deliver sport sessions. As part of the course, every learner will need to complete 10 hours of delivery of delivering supporting a West Hull Rugby coach.

Once learners have completed the course, they will have an allocated mentor from West Hull Rugby club that they can assist and support 10 hours of coaching delivery.

The qualification will be taking place on Friday 9 August at West Hull Rugby club. To reserve a place on to the qualification, please email csp@hull.ac.uk. Hurry as there are limited places!

SUMMER PROGRAMME

The University are working with West Hull Rugby club to provide exciting opportunities during the summer holidays for players and families to be involved with. For more information on the summer programme, please email csp@hull.ac.uk to see which sessions we have in store from July-September.

Did you know?

The Community Sports Project is open to all families and children in Hull? To find out more information about the project or to see what we have coming up, contact us on csp@hull.ac.uk or call a member from the team on 01482 466491.
